Dear Families,

Welcome back to Term 4! We trust all are rested and ready for a terrific final Term of Preschool. You may have noticed our school locations reference board along with our Literacy and Numeracy games area. Children have been excitedly sharing their thoughts about ‘big school’ and exploring dressing up in real uniforms from local schools.

Wednesday 28th October – National Children’s Week “A day in the Park!”
9am – 1pm at Sturt Park – Celebrating children’s right to play!!
We encourage everyone to get along and engage with a huge range of play experiences, provided collaboratively by all local Early Childhood Services. There are wonderful things happening across the whole week and we appreciate your support for our service being involved.
