Dear Families,

**Dates for your diary**

**Week 7** - This week was the final BHPS Orientation to school session. All children had fun and are sure kindergarten in 2016 will see the fun and learning continue for all.

**Next week**
- Week 8 - Tuesday 24th November - Santa Claus visit and Class Christmas Party for Session 1
- Week 8 - Thursday 26th November - Santa Claus visit and Class Christmas Party for Session 2
- Week 8 - Transition to School and summary of learning statements are sent home.

Week 9 - Friday 4th December - BHPS Presentation Day - Preschool children are welcome to attend with us or can go along and sit with their own families.

Week 10 - Thursday 10th December - Preschool – Year 2 Christmas concert (Both sessions welcome)
- Week 10 – Wednesday 9th December – Final Preschool day of 2015 for Session 1
- Week 10 - Friday 11th December – Final Preschool day of 2015 for Session 2

Did you know, according recent Australian research, 80% of jobs for children this generation, when they grow up, will be based in science, technology, maths and engineering! Thankfully participation in the Maths and Science Project this year with Macquarie University is helping us nurture young children’s mathematical and scientific minds. Thank you to all who attended the focus groups and play at home with maths and science. See more at [https://www.studentsfirst.gov.au/restoring-focus-stem-schools-initiative](https://www.studentsfirst.gov.au/restoring-focus-stem-schools-initiative)

Check out these engineers and scientists in action.

We wish all a wonderful weekend. From Lyndal and Andrea.
