Dear Families,

Just a reminder, we host a biggest morning tea, Cancer Council fundraiser each year and welcome families to stay for a cuppa, any day, during May, we appreciate a small donation being made to this worthy cause. Please see the donations box in the Preschool kitchen and help yourself to a warm drink. Alternatively, you can make a donation to our fundraising page online at -

Host name: Lyndal Walker
Organisation / event name: BHPS Central Preschool

Other current interests and experiences we are following up, include a keen interest in volcanoes from session 1 children and games with rules like “What’s the time Mr Wolf” with Session 2. Preschool days are certainly fun filled at the moment!

We wish all mums, aunties and grandmothers a fantastic Mother’s Day this Sunday and we hope many of you can attend our ‘spa day’. As stated last week, beware, children will try to massage your back, soak feet in a foot spa, paint your nails and engage you in their play on the day!

We wish all a fantastic weekend.

Lyndal and Andrea
