Dear Families

We wish you all a fantastic weekend. Lyndal and Andrea

Quality Improvement Plan update – Week 7
Focus is Quality Area 6: Collaborative partnerships with families and communities. We participate in The Broken Hill Early Years Learning community at monthly meetings and share our Preschool with speech therapists, occupational therapists and the NSW Health through the STEPS vision testing and other initiatives. Collaborations with families about children’s learning are individualised and we hope these are meaningful for you all. Next Term we will be preparing transition to school and progress summaries and look forward to working with families on these. Any ideas of areas you would like us to continue to improve in are very welcome. A quick reference to the National Quality Framework for Early Childhood can be found at the front of your Home School Journals. Please talk to Lyndal or Andrea or add feedback to your home-school journals for us to follow up on.

2015 BOOK WEEK PARADE
Preschool – Year 6
Thursday 10th September
Please send children dressed as a favourite book character. We will be exploring some easy (free of cost) costume creations during Preschool over the next few weeks. Children of session 1 are invited to join us for the whole school parade from 10.00am. Some costume ideas are also available at the link below. http://makecreatedo.com/2012/08/14/book-week-costume-ideas/

See great websites below about book week!
http://www.storylineonline.net/

PLEASE ENSURE CHILDREN COME TO PRESCHOOL SUN SAFE AND READY FOR THE WARMER DAYS AHEAD!
