Dear Families,

Welcome to another fun week of preschool!!! We enjoyed meeting you and your families last week and look forward to getting to know each of you and sharing in a wonderful part of your child’s educational journey over the year ahead. Session one and two both had a great start to the term with many children enjoying time in the sandpit, dressing up and building many wonderful creations. We will be following up these interests as well as many others as the term progresses. Please feel very welcome to stay and engage in play at any time and please don’t hesitate to see us if you ever have any queries.

Reminder:

The onsite car park is for school staff only. Parking is available out the front of the school or in the lane running beside the preschool.
